

AAPPR Virtual Annual Conference April 26-27, 2021

This conference is a must do event for anyone in or impacting physician and provider recruitment, retention, and onboarding. This will be the year not to miss.

As you strive to meet the challenges and opportunities of the evolving health care environment, your need for information is more essential than ever before. Take advantage of this unique opportunity to connect with colleagues and industry experts (yes, even virtually!) and receive the cutting-edge knowledge that is critical to your success. You will walk away with strategies for you and your team to source smarter, recruit faster and retain longer!

All content will be available to registered attendees until May 31, 2021. This extended access gives you flexibility to view all sessions and access valuable resources.

For complete, up-to-date details and registration, visit our website at <https://aappr.org/upcoming-conferences/>.

Registration Prices

Member Early Bird	\$299, register by Feb. 26

Why Attend?

Professional Development

Whether you are experienced or are new to the industry, this highly curated educational conference will illuminate your understanding of the issues facing in-house physician and provider recruitment through retention. Participants will receive strategies to advance their careers and recruitment programs while earning 12 credits for SHRM-CP, SHRM-SCP, HRCI and CPRP renewal.

Develop Business Relationships

Our virtual conference platform offers the ability to connect directly with other recruitment professionals around common interests. Networking with people with shared experiences can help you identify new methods of success and achieve career goals.

Discover Tools and Solutions

Visit the Virtual Solution Center to connect with exhibiting companies representing an abundance of services specific to the needs of physician and advanced practice provider recruitment, retention and onboarding. You may discover new tools that could provide the answers to challenges your company or your physicians are facing.
